Dear Alice,

Thank you for taking time out of your busy schedule to speak with the Beaufort-Jasper County REALTORS® and the Hilton Head Area REALTORS® Candidate Screening Committee. The Screening Committee has completed its work and the findings were approved by both Associations' Board of Directors.

As you are aware, the purpose of the Candidate Screening Committee is to get to know the candidates, to learn of their views on issues and to promote the election of those individuals who know and understand REALTOR® issues. Ultimately, it is the committee's responsibility to recommend candidates who are concerned with REALTOR® issues; which include those who are willing to work to preserve the way of life in our County through preservation of private property rights, creating opportunities for homeownership availability and affordability, and an environment which fosters business development and job creation.

After careful evaluation of the candidates reviewed in your race and consideration of your qualifications and responses to our questions, it is very clear that you share our vision for making our County a better place to work and live. We are pleased to report that the Beaufort- Jasper County REALTORS® and the Hilton Head Area REALTORS® endorse your candidacy for the County Council District 4 seat.

We will report our endorsement of your candidacy to the 1,800 plus REALTORS® in our Associations and ask that our members cast their ballot for you in the upcoming election.

On behalf of both Associations, we appreciate you meeting with us. For any additional information, please do not hesitate to contact me at janet@bjcrealtors.com or by calling 843-823-3563.

Best regards,

Janet Gresham, CEO
